**SIT Graduate Institute** prepares students to be interculturally effective leaders, professionals, and citizens. In so doing, SIT fosters a worldwide network of individuals and organizations committed to responsible global citizenship.

SIT’s internationally focused degrees, certificates, and professional development programs focus on conflict transformation, international education, sustainable development, and TESOL. Founded over 40 years ago as a training center for early Peace Corps volunteers, SIT Graduate Institute’s offers flexible full-time and low-residency programs based on an experiential learning model and a commitment to social justice and intercultural communication.

SIT offers master’s degree programs on its campuses in Brattleboro, Vermont, and in Washington, DC. SIT’s TESOL certificate program can be completed at several locations in the U.S. and overseas. Please check www.sit.edu for details.

**Graduate degrees**
- Self-Designed Master of Arts in Intercultural Service, Leadership, and Management
- Master of Arts in Peacebuilding and Conflict Transformation
- Master of Arts in International Education (on-campus and low-residency formats)
- Master of Arts in Sustainable Development (also offered at our Washington, DC, campus)

Professional Medicine (MD) — awarded through the College of Medicine

Certificate programs (graduate level)
Certificate in Healthcare Management
Certificate of Graduate Study in Ecological Design
Certificate of Graduate Study in Ecological Economics
Certificate of Graduate Study: Clinical & Translational Science
Certificate of Graduate Study: Complex Systems
Certificate of Graduate Study: Greek & Latin Languages
Certificate of Graduate Study: Interdisciplinary Study of Disabilities
Certificate of Graduate Study: Sustainable Transportation & Mobility
Fifth Year Post-Baccalaureate in Teacher Preparation
Master’s Entry Program in Nursing (for students with non-nursing bachelor’s)
Post-Baccalaureate Certificate in Medical Laboratory Science
Post-Baccalaureate Pre-Med Preparation Program
Post-Masters Nursing Certificate
Certificate of Advanced Study with concentrations in:
  Counseling
  Educational Leadership
  Integrated Studies
  Special Education

Certificate programs (undergraduate level)
Computer Software
Public Communication
Online courses available .......................................................... NO
Vermont Interactive Technologies courses available ................................ NO
Courses are offered ......................................................... on campus in Montpelier, Vermont

Graduate degrees
MFA in Graphic Design
MFA in Music Composition
MFA in Visual Art
MFA in Writing
MFA in Writing for Children & Young Adults
Online courses available .............................................. YES
Vermont Interactive Technologies courses available ................................ NO
Courses are offered ........................................ on campus in South Royalton, Vermont

Graduate degrees
Juris Doctor
LLM in American Legal Studies
LLM in Environmental Law*
Master of Environmental Law and Policy*

*Also available as an online program
Online courses available .......................................................... YES
Vermont Interactive Technologies courses available ..................... YES
Courses are offered at the following location(s): Randolph Center & Williston; Bennington & Brattleboro
(nursing campuses); Lyndon, Newport, Rutland, Springfield, White River Junction, and St. Albans (extended nursing campuses).

Please note that all courses may not be available at all locations or in all formats.
Please contact the institution for specific information.

Associate’s degrees

Associate of Applied Science degrees
Agribusiness Management Technology
Architectural and Building Engineering Technology
Automotive Technology
Business Technology and Management
Construction Practice and Management
Dairy Farm Management Technology
Diesel Power Technology
Fire Science
General Engineering Technology
Landscape Design and Sustainable Horticulture
Telecommunications Technology
Veterinary Technology

Associate of Science degrees
Computer Information Technology
Computer Software Technology
Dental Hygiene
Nursing
Respiratory Therapy

Associate of Engineering Technology
Civil and Environmental Engineering Technology
Computer Engineering Technology
Electrical Engineering Technology
Mechanical Engineering Technology

Bachelor’s degrees
Architectural Engineering Technology
Business Technology Management
Computer Engineering Technology
Computer Information Technology
Computer Software Technology
Construction Management
Dental Hygiene
Diversified Agriculture
Electrical Engineering Technology
Electromechanical Engineering Technology
Equine Studies
Professional Pilot Technology
Sustainable Design and Technology

Certificate programs
Practical Nursing
